5X, 10X[®], 25X, 50X and 100X Instant Tickets Multiply Illinois Lottery Prizes

New Multiplier Instant Tickets on sale now

For Immediate Release

New Multiplier Instant Tickets

CHICAGO, IL – Illinois Lottery players now have the chance to multiply their winnings by five, 10, 25, 50, or 100 with new Multiplier Instant Tickets.

The new 5X, 10X[®], 25X, 50X and 100X tickets offer players great prizes and exciting ways to multiply their winnings. Players can win prizes by matching their numbers to the winning numbers. If you scratch and reveal a multiplier symbol in your numbers, you win the prize shown times the multiplier shown. That means on a 100X ticket, you could win \$2,000,000.

Each ticket also offers an instant bonus prize in the amount of the multiplier. For example, players of the 100X game could win \$100 instantly.

One person who isn't excited by the Multiplier Instant Tickets is Grant the Genie (@3WishGrant), played by Leslie David Baker (Stanley from *The Office*). In a new social media, marketing and advertising campaign, Grant is disgruntled by the Illinois Lottery's claim that the Multiplier Instant Ticket game is "like wishing for multiple wishes." Grant grumpily points out, "Everyone knows you can't do that," as he watches players win. Creative assets from the campaign can be viewed [here](#).

"It is fun to have a talent like Leslie be a part of our new instant game," said Harold Mays, Interim Acting Director of the Illinois Lottery. "The new Multiplier Instant Tickets make for entertaining play, and we hope that the Grant the Genie campaign will create buzz and help ensure an immensely successful launch of the game for the ultimate benefit of education in Illinois."

The 5X, 10X™, 25X, 50X and 100X tickets cost from \$1 to \$20 and can be purchased at Illinois Lottery retailers statewide. To find a retailer near you, download the Illinois Lottery app on your mobile device or visit <http://www.illinoislottery.com/en-us/retailLocator.html>.

Illinois Lottery Launches 2018 'Carolyn Adams Ticket for the Cure' Instant Ticket

FOR IMMEDIATE RELEASE

October 5, 2018

Media Contact: Jason Schaumburg [\(312\) 793-3034](tel:3127933034)

The 2018 'Carolyn Adams Ticket for the Cure' instant ticket.

CHICAGO — [More than 1,800 women in Illinois die from breast cancer each year](#), according to the Illinois Department of Public Health (IDPH). On a mission to decrease that number and save lives, the Illinois Lottery and the Illinois Department of Public Health (IDPH) today celebrated the start of Breast Cancer Awareness Month by unveiling the 2018 [Carolyn Adams Ticket for the Cure](#). Illinois was the first lottery in the U.S. to launch an instant game to support the fight against breast cancer.

Since 2006, *Ticket for the Cure* has raised more than \$12.5 million to support breast cancer research, awareness and education in Illinois. One hundred percent of profits generated from ticket sales are distributed by IDPH, which awards grants to medical research centers and community organizations across Illinois that are working to find a cure or aid those fighting breast cancer. [In Illinois, 28 women are diagnosed with breast cancer every day](#), according to IDPH.

“The Carolyn Adams Ticket for the Cure continues to give players a unique opportunity to support breast cancer research and awareness efforts,” Illinois Lottery Acting Director Harold Mays said. “The Illinois Lottery is always proud to partner with the Illinois Department of Public Health to help fight breast cancer through the sale of this instant ticket.”

This specialty game was renamed *Carolyn Adams Ticket for the Cure* in 2011, in honor of former Illinois Lottery Superintendent (2003-2007) Carolyn Adams, who fought her battle with breast cancer until 2007. Each *Carolyn Adams Ticket for the Cure* costs \$3. Available prizes range from \$5 to three top prizes of \$50,000. The *Carolyn Adams Ticket for the Cure* instant ticket is available at more than 7,000 Illinois Lottery retailers throughout the state. Adams oversaw the initial launch of *Ticket for the Cure* during her tenure at the Illinois Lottery.

NBC 5 Chicago’s Zoraida Sambolin, a breast cancer survivor, presided over today’s ticket launch event, which was hosted by the Metropolitan Chicago Breast Cancer Task Force. Carolyn Adams’ mother was also present to observe the tribute to her daughter’s memory.

“Breast cancer remains one of the most frequently diagnosed cancers among American women, and is the second leading cause of cancer death,” said IDPH Director Nirav D. Shah, M.D., J.D. “A woman living in the U.S. has a 1-in-8 lifetime risk of being diagnosed with breast cancer. Early detection is the key to surviving breast cancer.”

“The Metropolitan Chicago Breast Cancer Task Force has been blessed by support from the Ticket for the Cure. We believe that every woman should have an equal chance at surviving breast cancer. We work hard every day to ensure that women of color, women with less resources and can access the high quality breast care that they need so that they can survive and thrive,” said Anne Marie Murphy Ph.D., Executive Director of the Metropolitan Chicago Breast Cancer Task Force.

According to the National Cancer Institute at the National Institutes of Health, breast cancer is the second most common cancer among women in the U.S. Early detection can save lives, click [here](#) for information from IDPH about breast cancer and screenings in Illinois.

The Illinois Lottery has contributed more than \$20 billion since 1985 to the state’s Common School Fund to assist K-12 public schools, as well as hundreds of millions of dollars to the Capital Projects Fund and other special causes, such as Illinois veterans services, the fight against breast cancer, Multiple Sclerosis research, Special Olympics training programs and assistance for people living with HIV/AIDS.

CHICAGO, IL — Chicago resident Luis Rivera instantly won \$1,000,000 when he scratched a [Million Dollar Payday](#) ticket. Rivera has been playing the Illinois Lottery for six years, and said he was in a “state of disbelief” when he discovered he won.

Rivera purchased his winning ticket at Ozzie’s Liquor and Deli, [11158 W. Grand Ave.](#), in Melrose Park. The retailer received a bonus of \$10,000, or one percent of the prize amount, for selling the winning ticket. *Million Dollar Payday* is a \$5 instant ticket with three top prizes of \$1,000,000, one of which has not been claimed.
