HOTWINS® OVERVIEW

With drawings every 4 minutes*, HotWins is all action, all the time. To play, players need to follow these 3 simple steps:

- 1 Player selects the numbers they want to play, which also determines their odds profile. Choosing **TWO NUMBERS** has the best odds to win!
- 2 Player selects their wager amount to determine the applicable prize pool.
- 3 Player selects the number of consecutive draws they would like to play.

NOTE: The cost of the ticket is dependent on the number of consecutive draws and the wager amount the player chooses, NOT how many numbers they play.

* Except during Night Mode hours. See IllinoisLottery.com for details.
